Bike & Walking Route

Start at the Super Morzine Lift (by the suspension bridge) and pick up a path or steps (easy to push bikes down) to the big carpark, Aquatic Centre and skate park. From here, pick up the gravel trail beside the River Dranse and follow it through the woods for around 2km.

Extend your Route

For a longer adventure, continue your walk (instead of looping back) by following the riverside trail to Saint-Jean-d'Aulps. Stay on the river trail and when the river trail eventually meets the main road, cross the road and walk over the bridge to pick up the trail again on the other side – which leads to Saint-Jean-d'Aulps, a great spot for lunch.
